

Würth Elektronik eiSos, part of Würth Group, acquires AMBER wireless – IEG acts as M&A advisor to Würth Elektronik eiSos

- Through this acquisition, Würth Elektronik eiSos further expands its range in growth areas, such as Internet of Things, Industry 4.0 and Smart Metering.
- IEG – Investment Banking Group advises Würth Elektronik eiSos on this transaction

Berlin, 17 August 2016

Würth Elektronik eiSos GmbH & Co. KG, part of Würth Group, acquires AMBER wireless GmbH, a manufacturer of industrial wireless connectivity solutions. Würth Elektronik is one of the leading European suppliers of electronic and electromechanical components. Through this acquisition, Würth Elektronik eiSos further expands its product range in strategically important growth areas. AMBER wireless gains access to the international sales structure of Würth Elektronik eiSos Group through this transaction.

“The integration of AMBER wireless is our good fortune. The expertise and the products, which the new colleagues contribute, support Würth Elektronik eiSos in a strategically crucial segment. The leading-edge technology for industrial wireless networks boosts our product range for growth markets like Industry 4.0, IoT or Smart Metering”, according to Oliver Konz and Thomas Schrott, CEOs of Würth Elektronik eiSos Group.

IEG – Investment Banking Group acted as M&A advisor to Würth Elektronik eiSos Group.
