IEG
INVESTMENT BANKING

JOBADVERTISEMENT

Intern in Investment Banking (m/f)

IEG – Investment Banking Group is one of the leading, global independent investment banking boutiques focused on Mergers & Acquisitions, Financing & Principal Investments for Internet, Technology & Services. Locally present in the key international growth regions and/or emerging markets, IEG – Investment Banking Group is a unique, influential and trusted partner for growth companies and larger, international corporates. Due to the structural focus on all topics related to digitization, our clients benefit from our market know-how in the segments Internet, Technology and Services and our international and local presence. In the last 12 months, the team of IEG could successfully complete 16 transactions. To continue this growth and to strengthen our team of 100 professionals worldwide, we are looking at our head office in Berlin for an **Intern (m/f) for a period of at least three months**.

Your responsibilities

- You will support the three Desks in the execution of transaction mandates such as corporate acquisitions, company disposals, financing operations or fund placements.
- You will provide the senior management staff of the team with strong support by preparing and evaluating financing models and company value analyses, market and sector analyses.
- Your will work with the team in developing convincing sales pitches for potential clients and will participate in the acquisition of new clients.

Your Profile

- You are currently achieving very good results in your degree course at a university or university of applied sciences and are at least in your 3rd semester studying a subject with a focus on business finance.
- You have gained sound business experience from work placements or have completed your training in the bank sector or a consulting company, you are already familiar with the relevant investment banking subjects.
- You have very good Excel and PowerPoint skills and a very good command of German and English.
- You enjoy working independently and in a team; analytical thinking is only one of your outstanding skills.

What you can expect from us

- In our young corporate culture, you can expect a high degree of responsibility, personal development and free scope to develop your own ideas.
- By working on our three Desks, you will gather valuable insights into all the different types of transactions, industries and markets.
- On-the-job training with experienced investment bankers and further training programs.

Your application
