

### VISMA GOES GERMANY

- VISMA is a leading cloud software solution company
- Through strategic acquisitions that suit VISMA's strategic position, they intend to maintain its growth in Germany.
- IEG – Investment Banking Group exclusively advised VISMA and its shareholders on this transaction

Berlin, 16<sup>th</sup> of January 2023

Businesses and organisations are rapidly changing from conventional on-premises software to more secure, effective, and easily connectable cloud solutions as digitalisation and IT security are prominent on the European agenda.

Timm C. M. Overmans, M&A Director of VISMA: "We are extremely proud to announce our first step into the financial management sector in Germany."

"By bringing BuchhaltungsButler to the VISMA family, we continue our road toward European growth. We have an amazing market opportunity in Germany, and we will help our new businesses to expand more quickly, says Merete Hverven, CEO of VISMA.

The VISMA Group now consists of 170 businesses throughout Europe and Latin America after making 42 acquisitions in 2022, including a maiden market launch in France.

Mirko Heide, Managing Director of IEG – Investment Banking Group: "The acquisition of BuchhaltungsButler by VISMA lays the foundation for many more transactions to come in Germany and helps the company strengthen its position in the DACH region."

IEG – Investment Banking Group acted as the exclusive financial advisor to VISMA.
